

Bram Goudsmid

```
: {  
  Creative[ ],  
  Software developer,  
  Designer  
}
```

I'm a passionate software developer heavily influenced by **UX**, **UI** and **coding** addicted to **music**, **animation** and **learning**.

I've been working with web development since 2018.

I've been a **software developer** and a **designer**
