Bram Goudsmid

I'm a passionate software developer heavily influenced by **UX**, **UI** and **coding** addicted to **music**, **animation** and **learning**.

I've been working with web development since 2018.
I've been a **software developer** and a **designer**

: {
    Creative[ ],
    Software developer,
    Designer
}

Dutch, born in the Netherlands
